

WILSON DIVIDE COMPANY TAKES OVER PROPERTY

Buckhorn Lease and Three
Claims are Secured and De-
velopment to Follow

The Wilson Divide Mining company, through its secretary, E. P. Cullinan, has closed a deal whereby three gold mining claims adjoining the Buckhorn property at Stone Canyon have been taken over, as well as the lease on the Buckhorn which is held by Carl Monahan, E. Marry and associates.

Mr. Cullinan has been prosecuting vigorously on the Buckhorn property for the last month, during which time he has equipped the premises with hoist and compressed air, operations are confined at the present time to the 160-foot level of the shaft workings and a splendid amount of showing is in evidence. One of the unusually high grade is exposed and while the streaks are small there is also showing a big lead on the 160-foot level, medium grade ore all of which will eventually be marketed.

With E. P. Cullinan having an abiding faith in the future of Stone Canyon, with his prosecuting a systematic campaign of development, that district promises to be heard from in an uncertain way in the near future. The demand for property is already noticeable and it looks as though there would be a great deal of activity noticeable in the canyon within the near future.

Robert Joseph Dougherty, who is handling the Buckhorn property, and who also owns a promising group of claims, gives it as his opinion that by sinking the Buckhorn shaft to the 300 level, that valuable discoveries will result. This it is understood, will be undertaken by Mr. Cullinan within the near future.

MIRACLE WOMAN DRAWS CROWDS BY THOUSANDS

Porto Rican Said to Effect Mar-
velous Cures Among the
Sick and Lame

SAN JUAN P. R., Aug. 11.—Extra
policemen have been detailed for
duty at San Lorenzo to help handle
the crowds drawn there from Wed-
nesday night to late Friday each
week by the stories of apparent
cures by Julia Vasquez, the "healer
of San Lorenzo."

Hundreds, if not thousands, of au-
tomobiles carrying the sick, lame
and curious have been visiting San
Lorenzo and so great have been
the traffic jams that there have
been complaints to the police that
the San Lorenzo road was impass-
able. On Thursday last there was a
line of motors two miles long on
each side of the roadway waiting for
people who are rapidly pouring
into a broad trail the row path that
leads up the steep hill to the spring
from which the supposedly healing
waters come.

The healing spring is about a mile
from the town where the "healer"
lives. Near the spring a palm cov-
ered pavilion sheltering 400 to 500
people has been erected. There on
Thursdays and Fridays the healer
sits in a chair raised on a platform
and receives the sick. Waters from
the spring lack healing qualities un-
til she has blessed or massaged
them. After being blessed the water
is carried away in bottles, buckets,
cans, anything. And each person
the healer sees is told to bathe, rub
the afflicted portion of the body
with the water or drink so much
of it at certain times.

Frequently the healer is propped
from her trance with great difficulty.

Her father and a brother assist her.
Her power is supposed to have
been passed on to her while the
spring waters for many years have
been reputed to have healing qual-
ities. It was about two months ago
that the healer first attracted atten-
tion; since then her fame has spread
throughout the island.
